

Have an automation challenge? We'll help you find the best solution.

Cates Control Solutions is a Texas based distributor of industrial control products. We support our customers before, during, and after the sale with extensive product and application expertise, service, repair and training. We can help you with product selection, dimensioning and installation as well as operation and maintenance.

SERVICE

Our first job is, and always will be, to listen to our customers and provide exceptional service. We have experienced personnel that can service and support our products throughout North America, and our Product Service and Repair department offers rapid turnaround to get you back up and running quickly. Call Cates 24/7 for all of your service needs. You will always speak to a LIVE person.

Our dedicated product service team will support you 24 hours a day, 7 days a week.

WARRANTY

All of our products are covered by the original manufacturer's warranty for product defects. Please contact your account representative or call us for assistance.

OUR COMMITMENT

Our goal is to always provide you with a solution that works to your satisfaction!

Cates Control Solutions
experts in drives and motors since 1978

For automation products you can go anywhere. For automation SOLUTIONS come to Cates.

BALDOR • RELIANCE®

Low voltage AC & DC drives
NEMA & IEC low voltage AC & DC
motors, Servo motors
Low voltage soft starters
Medium voltage drives and motors
ATEX & IECEx rated motors
Low voltage product line and systems

FACTORY AUTOMATION

Linear & rotary position sensors
Programmable limit switches
Foot switches, Catrac, Industrial brakes

Level and pressure sensors, Gauges
Switches

Flameproof
Motors

Low voltage IEC AC motors
ATEX & IECEx rated motors
IECEx explosion proof marine rated
brake motors

DC drives, Tension transducer (load cells)

Pepper+Fuchs

Networking and industrial data
communication: Ethernet device servers
Industrial Ethernet gateways
Industrial Ethernet switches

BY TIMKEN

Precision motion control, Right angle
gearboxes, Slewing solutions

powering innovation™

Servo motors & drives
Stepper motors & drives

SEWAL-STEPHEN

High Performance stepper and servo
motors for harsh and/or specialty
environments

by Schneider Electric

Temperature control, Measurement
and data recording solutions

Premium cabinet systems and
wall-mount enclosures

UL 508A & UL 698A certified facility
Engineering design services, Panel
assemblies, Cabinets, Enclosed drive
packages

Automation system solutions: Controls
Variable frequency drives, Servo drives
Motors, Gearboxes

the sensor people

Safety engineering services, Bar code
readers, Safety sensors, Light curtains
Machine vision

SYSTEMATIC TECHNOLOGY

Flexible & continuous flexing cable
(control cable, VFD cable, & power cable)
Cabinet systems, Power Supplies, Circuit
protection, Signal converters & isolators
Mechanical & solid-state relays

POWER QUALITY. SOLVED.

Power quality solutions: Harmonic
mitigation, Motor protection & power
conditioning

Precision linear & rotary positioning,
holding, and braking solutions

Lead screw & ball screw assemblies
Screw jacks, Electric cylinders
Linear & modular actuators

A POPPE+POTHOFF COMPANY

ATEX rated & safe area couplings
Torque limiters
Precision & Industrial couplings

Industrial motor control products,
including general and definite purpose
contactors, overload relays, motor circuit
controllers, disconnect switches and pilot
devices

STÖBER

IEC & NEMA gear units: Servo gear units
Planetary & helical gear units, Rack &
pinion gear drives, Servo gear units
with brakes, Servo motors, ATEX rated

Advancing Power Quality

Power quality & harmonic solutions:
Active & passive harmonic filtering
solutions, Motor protection solutions
Power factor correction solutions

AUTHORIZED DISTRIBUTOR

Motor & drive solutions: Low voltage &
medium voltage motors, Low voltage
& medium voltage variable frequency
drives, Gear products

Low voltage & medium voltage AC
motors, Low voltage & medium voltage
AC drives, Low voltage and medium
voltage soft starters, Gearboxes &
geared motors, Controls

Many of our products are for use in hazardous areas and they meet various certifications required all over the world. Please check with us if you have questions about the certifications of specific products.
